MESSRS. LIPPMAN, BROS., Savannah, Ga.

GENTS—I've used nearly four bottles of P. P. F. I was afflicted from the crown of my head to the soles of my feet. Your P. P. F. has cured difficulty of breathing and smothering, palpitation of the heart, and relieved me of all pain; one nostril was closed for ten years, now I can breathe through it readily. I have not slept on either side for two years, in fact, drowsily to see night come, now I sleep soundly in any position all night. I am 50 years old, but expect soon to be able to take hold of the plow handle; I feel proud I was lucky enough to get P. P. F., and I heartily recommend it to my friends and the public generally. Yours respectfully, A. M. RAMSEY.

Another Letter to Women.

May 25, '92, Syracuse, N. Y.

"Dear Madam:

"I want to tell you what your Vegetable Compound and Sanative Wash have done for me.

"I was so bad with falling of the womb and Leucorrhoea that I could not stand.

"I had doctored so much without benefit I was entirely discouraged. I expected to die.

"One evening I read in the 'Herald' about your medicine. I got some, and took 2 bottles of the Compound, and used one of the Sanative Wash.

"I am now well and strong, am never troubled with either of the complaints. If more women would use your Compound, there would be less suffering in the world."—Mrs. Ida Caster, 126 Olive St.
